LAW LIBRARY  
ARIZONA ATTORNEY GENERAL

Dear Mr. Talley:

The Attorney General acknowledges receipt of your letter of March 29, 1960 requesting an opinion of this office with respect to the expenditure of public funds for preparing housing facilities in the State Capitol Building for the State Real Estate Department.

The Twenty-Fourth Legislature, First Regular Session, appropriated to the Real Estate Department, by Subdivision 70 of the General Appropriations Act, ninety per cent of all collections by the Department for current expenditures and capital outlay.

It is the opinion of the Attorney General that funds from this appropriation may be used for the purpose of preparing housing facilities for the State Real Estate Department in the State Capitol Building.

The remodeling or alteration of these housing facilities is under the control of the State Planning and Building Commission and, therefore, it is necessary for your Department to consult with the State Planning and Building Commission which is vested with the authority to carry out the program which your Department desires.

Very truly yours,

WADE CHURCH  
The Attorney General

LESLIE C. HARDY  
Chief Assistant  
Attorney General
